Achievement Day To Be Observed By Club Women

Coffee County's 32 home demonstration clubs will participate in the observance of Achievement Day, October 31, with Mrs. Winsor M. of Curtis, president of the County Council of Clubs, in charge.

Outstanding feature of interest

is the new "stickers" which will be used in the metal shortage, will be delayed a few days owing to the present shortage of materials to make them. Revenue Commissioner John Curry said Friday

that the 1942 football season will be opened in Elba tomorrow night.

Friday at eight o'clock at the Elba School, State Troopers and Tigers meet the Abbeville High School team.

Abbeville has already played two games and this will be the first for the Tigers.

And that will be the first game to be seen. However, Coach Moore has been putting his hopes

full through some strenuous practices during the past week and says he thinks they are in line to make a good account of themselves when they tangle with Abbeville Friday night.

Here is the probable starting line-up:

L. e., Mace Cook; l. t., Harold Edwards; Enterprise and J. N. Wal-

lace, New Brockton; members:

Mark C. Nichols, Enterprise;

H. H. Fults, Elba; alternate:

W. C. of the Coffee County Farm Machinery Rationing Board.

The rationing of farm machinery

was ordered Sept. 7 by the Secretary of Agriculture, Washington, effective Sept. 17, to stop

dealers throughout the country from being supplied with instruc-

tions, forms and certificates, ac-

cept to the State

from the State Farm Machinery Rationing Board.

The machinery and equipment

that may be purchased under this

temporary rationing plan will be

divided into three groups. Farm

ers wishing to purchase equipment listed in Group A must

apply with the dealer. This includes

tractors, hay balers, feed grinders

and combines.

Those wishing to purchase ma-

chinery listed in Group B must do

so with dealer. The group includes

small plow, horse-drawn disk

plows, stalk cutters, hoes,

shovels, all hand-operated machinery,

and machinery not included in group A.

Dealers, according to their in-

structions, will complete the ne-

cessary steps in order that goods

be delivered to the purchaser.

NATIONAL NEWSPAPER
WEEK, OCTOBER 1-8

Did you ever stop to think just
what your newspaper means to
the community, the country and
the interest of every man, woman
and boy and girl? How have you
been helping your newspaper in
making it a better medium for
dissemination of local
news? How have you been co-
operating with your newspaper in
patronage? How have you
been cooperating with your
newspaper in promoting those
things that are worth while for
the nation as well as local inter-
ests?

Think this over. Supposing
there wasn't any newspaper in
Elba . . .

Who would publish the volumes
of school items which are impor-
tant to us, but would be drab and
uninteresting to others outside
this community?

Who would advance and discuss
school problems only of interest
to the people of the Elba commu-
nity?

TO THE CHURCHES

Who would publish the weekly
church notices and numberless
church articles only of local inter-
est?

TO CLUBS AND SOCIETIES

Who would publish accounts of
these meetings which are so nec-
essary to maintain interest and
good will?

TO THE ADVERTISERS

Who would advertise the prod-
ucts you have to sell and the ser-
vices you have to provide? Other
men have tried to do this, but
out advertising and eventually
the religious waiting at the door.
Yes, you can do it, and your
method is advertising, but you
will find no one so effective, because
there's no other advertising me-
dium which your potential cus-
tomers read, because they want
to pay for it.

TO THE TAXPAYERS

Where else can you keep in
touch with every man, woman
and child made by the county
town and school districts? Of
course, the law provides for post-
ing or notices giving certain of
the facts of the news, but how
many of you would find time to
go to a bulletin board to read
them?

TO THE READERS

It is to you the paper means
most of all. Where else could
you get the full picture of our
community life—our joys, our
sorrows, our activities, our progress,
our pleasures, our social and
religious life?

OUR DUTY

By Ruth Taylor

Only an all-around newspaper
can modernize any town. It talks
of rights, but it was the word "duty"
that founded this country, that
enriched those who labored for
the welfare of all, that made from
people drawn from all nations and
all walks of life a united nation.

Day has a single meaning—
merely to do what we ought to
do. Not until man has held it
around with self will, did our
people turn from the path of duty
to the pleasure path of rights.

And man can only profit by
weakness, the slacking of moti-
fibre, the days of self interest
that found us unprepared as a
nation when the crisis came.

National Newspaper Week October 1-8

President Roosevelt's Message On The Importance of a Free Press:

"The observance of National Newspaper Week after ten months of war affords an opportunity to re-dedicate ourselves to the freedom of the press. We must daily broadcast the freedom to think and speak the truth as we see it. Our free press has not only survived—it is an essential part of the steady ballast which enables our ship to ride the storm."

"Think this over. Supposing there wasn't any newspaper in Elba . . .
